Our commitment to prioritizing quality over quantity in the papers published in *Scientific Letters* remains steadfast. The overall quality of the journal is greatly indebted to the dedicated work of the Reviewers listed below. These Reviewers are chosen based on their expertise and, throughout 2023, we have been impressed by the consistently high quality of their evaluations. Reviewers selflessly invest their time to assist Authors in refining their manuscripts. It is noteworthy that a significant portion of the Reviews were submitted within the designated two-week timeframe. On behalf of the Editorial Team, I express my sincere appreciation for their exceptional contributions and eagerly anticipate continued collaboration in 2024!
